

Autoboom (<https://autoboom.co.il/>) is a website that offers a wide range of cars, motorcycles, and scooters, both new and used, from various brands and models. The website is user-friendly, and the ads are detailed and informative. Users can compare prices, check vehicle history, and view ratings and feedback from other users. Autoboom can assist in locating the nearest service center and provides tips and advice for safe and efficient vehicle buying, selling, or exchanging in Israel. Autoboom could be a helpful resource for those in need of these services.

The catalog looks like this:

The screenshot shows a catalog interface with two columns of car icons and their names on the left, and a list of car models with their counts on the right. The car names are: האצ'ביקים, מיני, סטיישן, סדאנים, וואנים, ג'יפים, קבריולט, קופה, מסחרי, and טנדרים. The list of models includes: סקודה 291, פולקסווגן 106, פורד 133, פיג'ו 217, קיה 513, רנו 175, שברולט 197, להציג עוד <, מאזדה 309, מיצובישי 228, מרצדס 148, ניסאן 265, סובארו 115, סוזוקי 120, סיאט 113, סיטרואן 118, אאודי 139, אופל 105, א.מ. ג'י. / MG 61, ב.מ.וו. 165, ג'יפ 83, הונדה 134, טויוטה 350, and יונדאי 529. There is a blue button that says 'להציג 5061 רכבים' and a link for 'לחפש לפי פרמטרים'.

The website provides a diverse range of both new and pre-owned vehicles:

The screenshot shows four car listings from the website. Each listing includes a photo of the car, its model and year, and its price. The listings are:
